

2002

(English)

RIKEN BNL Research Center Scientific Review Committee

The Scientific Review Committee for RIKEN BNL Research Center was held on November 21st and 22nd of 2002. The chairman submitted the report to the president of RIKEN.

Committee members:

Jean-Paul Blaizot	Service De Physics Theorique, CEA-Saclay (France)
Makoto Kobayashi	Professor, Institute of Particle and Nuclear Studies High Energy Accelerator Research Organization (KEK) (Japan)
Akira Masaïke	Professor, Department of Information, Nara Sangyo University (Japan)
Charles Prescott	Professor, High Energy Physics, Stanford Linear Accelerator Center (SLAC)
Claudio Rebbi	Professor, Center Director for the Center for Computational Science, Department of Physics, Boston University (U.S.A.)
Jack Sandweiss	Professor, Department of Physics, Yale University (U.S.A.)

2003

(English)

RIKEN BNL Research Center Scientific Review Committee

The Scientific Review Committee for RIKEN BNL Research Center was held on November 20th and 21st of 2003. The chairman submitted the report to the president of RIKEN.

Committee members:

Jean-Paul Blaizot	Service De Physics Theorique, CEA-Saclay (France)
Makoto Kobayashi	Professor, Institute of Particle and Nuclear Studies, High Energy Accelerator Research Organization (KEK) (Japan)
Akira Masaïke	Professor, Department of Information, Nara Sangyo University (Japan)
Charles Prescott	Professor, High Energy Physics, Stanford Linear Accelerator Center (SLAC)
Jack Sandweiss	Professor, Department of Physics, Yale University (U.S.A.)
Stephen Sharpe	Professor, Physics Department, University of Washington (U.S.A.)

2004

(English)

RIKEN BNL Research Center Scientific Review Committee

The Scientific Review Committee for RIKEN BNL Research Center was held on November 16th and 17th of 2004. The chairman submitted the report to the president of RIKEN.

Committee members:

Jean-Paul Blaizot	Service De Physics Theorique, CEA-Saclay (France)
Makoto Kobayashi	Professor, Institute of Particle and Nuclear Studies, High Energy Accelerator Research Organization (KEK) (Japan)
Akira Masaïke	Director, Washington Office, Japan Society for the Promotion of Science
Charles Prescott	Professor, High Energy Physics, Stanford Linear Accelerator Center (SLAC)
Claudio Rebbi	Professor, Department of Physics, Boston University
Jack Sandweiss	Professor, Department of Physics, Yale University (U.S.A.)
Stephen Sharpe	Professor, Physics Department, University of Washington (U.S.A.)

2005

(English)

RIKEN BNL Research Center Scientific Review Committee

The Scientific Review Committee for RIKEN BNL Research Center was held on October 10th, 11th and 12th of 2005. The chairman submitted the report to the president of RIKEN.

Committee members:

Jean-Paul Blaizot	Service De Physics Theorique, CEA-Saclay (France)
Makoto Kobayashi	Professor, Institute of Particle and Nuclear Studies, High Energy Accelerator Research Organization (KEK) (Japan)
Akira Masaïke	Director, Washington Office, Japan Society for the Promotion of Science
Charles Prescott	Professor, High Energy Physics, Stanford Linear Accelerator Center (SLAC)
Kozi Nakai	Professor, Tokyo University of Science (Japan)
Jack Sandweiss	Professor, Department of Physics, Yale University (U.S.A.)
Stephen Sharpe	Professor, Physics Department, University of Washington (U.S.A.)
Akira Ukawa	Director, University of Tsukuba (Japan)

2007

(English)

RIKEN BNL Research Center Scientific Review Committee

The Scientific Review Committee for RIKEN BNL Research Center was held on November 5th, and 6th of 2007. The chairman submitted the report to the president of RIKEN.

Committee members:

Jean-Paul Blaizot	Service De Physics Theorique, CEA-Saclay (France)
Wit Busza	Professor, Department of Physics, MIT (U.S.A.)
Akira Masaïke	Director, Washington Office, Japan Society for the Promotion of Science
Charles Prescott	Professor, High Energy Physics, Stanford Linear Accelerator Center (SLAC)
Alfred H. Mueller	Professor, Department of Physics, Columbia University (U.S.A.)
Akira Ukawa	Professor, Director of Center for Computational Sciences University of Tsukuba (Japan)

2008

(English)

RIKEN BNL Research Center Scientific Review Committee

The Scientific Review Committee for RIKEN BNL Research Center was held on November 17th, and 18th of 2008. The chairman submitted the report to the president of RIKEN.

Committee members:

Wit Busza	Professor, Department of Physics, MIT (U.S.A.)
Miklos Gyulassy	Professor, Department of Physics, Columbia University
Akira Masaïke	Professor Emeritus, Kyoto University (Science)
Richard Milner	Director, MIT Laboratory for Nuclear Science
Alfred H. Mueller	Professor, Department of Physics, Columbia University (U.S.A.)
Akira Ukawa	Professor, Director of Center for Computational Sciences University of Tsukuba (Japan)

2009

(English)

RIKEN BNL Research Center Scientific Review Committee

The Scientific Review Committee for RIKEN BNL Research Center was held on October 21st, and 22nd of 2009. The chairman submitted the report to the president of RIKEN.

Committee members:

Wit Busza	Professor, Department of Physics, MIT (U.S.A.)
Miklos Gyulassy	Professor, Department of Physics, Columbia University
Kenichi Imai	Professor, Department of Physics, Kyoto University
Alfred Mueller	Professor, Department of Physics, Columbia University
Charles Prescott	Professor, High Energy Physics, Stanford Linear Accelerator Center (SLAC)
Akira Ukawa	Director, Center for Computational Sciences, University of Tsukuba (Japan)

2010

(English)

RIKEN BNL Research Center Scientific Review Committee

The Scientific Review Committee for RIKEN BNL Research Center was held on October 27th, 28th and 29th of 2010. The chairman submitted the report to the president of RIKEN.

Committee members:

Wit Busza	Professor, Department of Physics, MIT (U.S.A.)
Miklos Gyulassy	Professor, Department of Physics, Columbia University
Kenichi Imai	Professor, Group Leader, Department of Hadron Physics, Advanced Science Research Center, Japan Atomic Energy Agency (JAEA)
Teiji Kunihiro	Professor, Department of Physics, Kyoto University
Richard Milner	Director, MIT Laboratory for Nuclear Science
Alfred Mueller	Professor, Department of Physics, Columbia University
Charles Prescott	Professor, High Energy Physics, Stanford Linear Accelerator Center (SLAC)
Horst Stoecker	Scientific Director & CEO, GSI Helmholtzzentrum für Schwerionenforschung GmbH
Robert Sugar	Professor, Department of Physics, University of California, Santa Barbra Campus
Akira Ukawa	Director, Center for Computational Sciences, University of Tsukuba (Japan)

2012

(English)

RIKEN BNL Research Center Scientific Review Committee

The Scientific Review Committee for RIKEN BNL Research Center was held on November 6th, 7th and 8th of 2012. The chairman submitted the report to the president of RIKEN.

Committee members:

Wit Busza	Professor, Department of Physics, MIT
Charles Prescott	Professor, High Energy Physics, Stanford Linear Accelerator Center (SLAC)
Kenichi Imai	Group Leader, Department of Hadron Physics, Advanced Science Research Center, Japan Atomic Energy Agency (JAEA)
Richard Milner	Director, MIT Laboratory for Nuclear Science
Alfred Mueller	Professor, Department of Physics, Columbia University
Miklos Gyulassy	Professor, Department of Physics, Columbia University
Akira Ukawa	Director, Center for Computational Sciences, University of Tsukuba (Japan)
